
Vitamin C

Item # 310-0100

100% Natural

When you take ordinary Vitamin C supplements, chances are you'll be flushing most of it down the urinal next time you urinate. Taken in pill form, they dissolve easily and all at one time, leaving the body unable to absorb most of it.

Not Sir Jason's super potent Vitamin C tablets. Made from an all natural base, each 1000 mg. tablet uses a unique process which releases slowly over a prolonged time span, allowing the body ample time for proper and complete absorption.

Here are a few amazing things Sir Jason's super potent, time release, Vitamin C tablets can do for you:

- 1000 mg. taken every at meal enhances health and intelligence, as found by two-time Nobel Prize winner Dr. Linus Pauling.
- Widely confirmed to give the body's natural immune system a potent boost against common infections and illnesses.
- Shields the body against environmental pollution as one of today's safest and most effective detoxifiers.
- Alleviates bodily stress for people leading a fast-paced lifestyle.

Some studies suggest Vitamin C actually inhibits the growth and spread of cancerous cells. In earlier studies, terminal cancer patients were shown to live three to twenty times longer when given regular doses of 1000 mg. each.

- Suggested Use: As a dietary supplement, take 1 to 3 tablets daily as a source of vitamin C & Phytonutrients.
- Contains: 1000 mg of Vitamin C (ascorbic acid) and 150 mg. Natural selected Rose Hips Powder.
- Quantity: 100 tablets

This information is not intended to diagnose, treat, cure, or prevent any medical condition, or replace professional medical advice or treatment. Please seek the advice of a qualified professional for all health concerns. There is no proven cure for cancer recognized by the FDA or Western Medicine. Studies suggest that the herbs in Jason Winters Tea have blood purifying and immune system strengthening effects.
