FESTIVITIES ON MALTA

To celebrate the erection of the Grand Priory of the Benelux, the Grand Prior and his Council have organized a visit to Malta from October 9 to October 19 and have therefore prepared a very special programme for their visit.

About 60 odd Knights, Ladies, Postulants and relatives have come over to Malta, purposely for this stupendous occasion.

Their programme included seeing the famous "Historie van Malta" at the Knightshall of the Mediterranean Conference Centre; visits to historical places such as Tarxien Temples, the Hypogeum, Ghar Dalam, Hagar Qim, etc., etc.; a day's trip at sea round the Maltese Islands; luncheons; gala dinner at the Phoenicia in Floriana and a Gala-Buffer Dansant at Palazzo Parisio, in Naxxar, by kind permission of Marquis Jos. Scicluna.
